Presentation night	7 April 2010
Annual general meeting	17 March 2010

Player Code of Behaviour

[IN2CRICKET players are not required to sign this form]

The Code of Conduct for North Canberra Gungahlin players can be sighted on our website, www.northcanberracricket.org.au. As members of the Club all players (and their parents) when they register with the Club agree to adopt the Code of Conduct as it applies to junior players.

The most important rule is to develop your cricket skills, enjoy the fellowship of those you train and play with and HAVE FUN!!

However, to enable all players to get the most from their experience with North Canberra the following practical rules also apply:

Behaviour at Practice and Game Day

1. **Zero Tolerance:** North Canberra/Gungahlin Cricket Club has a **Zero Tolerance Policy** towards bad and abusive language and offensive behaviour from players, team officials and supporters.
2. **Punctuality:** All players are required to be punctual for practices, games and other Club activities. This will assist the smooth running of the event.
3. **Practice Behaviour:** All players attending the practices, games and other Club activities are expected to obey all the rules and regulations as determined by the Club organisers. The players will also show respect to each other, all members of the Club staff and players from other clubs and their Club staff.
4. **Sportsmanship:** At all times players are expected to **demonstrate good sportsmanship and cooperate with their peers** in group activities.

Security and Health

5. **Appropriate Clothing:** Players are to report to practices, games and other Club activities in appropriate clothing. This must include a hat and suitable footwear for training drills. Players are required to wear full cricket whites to take part in a match or other clothing as approved by the Junior Cricket Council of the ACT.
6. **Protective Gear:** Full protective gear must be worn when batting in matches and in the nets. Full protective gear must be worn for wicket keeping up to and including Under 11s. The wearing of helmets for wicket keeping is optional from the Under 12 age, but with the express approval of parents.
7. **Skin protection and hydration:** Each player must bring his own sunscreen and drink bottle. Drink bottles must not be shared because of the risk of disease.
8. **Personal Items:** Do not bring valuables to practices, games and other Club activities.
9. **Equipment:** All equipment and clothing should be labelled so that players don't lose their property. Players should also respect the playing equipment provided by the club for their use.
10. **Medication:** Any player on medication **must** notify the practices, games and other Club activities organisers, whose duty it is to store the medication securely and ensure it is dispensed as required.

Player Code of Behaviour Agreement

I confirm that my child has read or I have read to him/her the Club's Player Code of Behaviour policy and that he/she agrees to observe the Code. In2cricket players are not required to sign the Player Code of Conduct
