

# NORTH CANBERRA GUNGALIN CRICKET CLUB

1 August 2011

Dear Players and Parents

## Welcome to the 2011/2012 Season

My name is Miles Boak and I am the club Chairman.

I would like to welcome you and your children to the 2011/2012 season. Preparations for the new season are well advanced. The club expects to field at least the same number of teams as last season.

Please find enclosed the 2011/2012 registration form, which is similar in presentation to those of previous seasons and again includes the Player Code of Behavior. It is worth reminding everyone that while North Canberra Gungahlin players have a very good reputation for sportsmanship towards fellow players and respect for opposing teams and umpires, occasionally a very small minority of our players misplace the Code when on the field. And while it is important for new players to be aware of our Code, it is also important to remind re-registering players of its importance.

The club is pleased to advise that player registration fees will remain unchanged for the new season and will continue to offer sibling and loyalty discounts for longer term players.

Parents will again play a vital role in assisting with the operation of teams, and the more volunteers we have supporting the management of teams the easier it will make it for coaches and managers.

The season will commence the weekend Saturday 15 October/Sunday 16 for all age groups and divisions with the exception of the U/9s and Friday nite competitions, which will start the weekend 21/22/23 October.

**Grading** will be conducted for the U/11s, U/12s, U/13s and U/14s the weekends 3 and 10 September. Further details about Grading will be provided by the Secretary.

**Please return completed registration forms to the Registrar by 5.00 pm Monday 22 August.**

I encourage parents to contact the committee if they wish to discuss any aspect of the coming season. The Management Committee wishes all club players and parents an injury free, successful and enjoyable season.

On behalf of the Juniors' Management Committee, I wish all players and parents a most enjoyable 2011/2012 season.

Miles Boak  
Chairman
