

NORTH CANBERRA GUNGALIN CRICKET CLUB

Dear Players and Parents

1 July 2010

Becoming A Member of the Tradies Club

At the Presentation Nite last season you would recall my thanking the Tradies Club for providing the venue for us to hold our Presentation of Trophies.

The Tradies Club is the major sponsor of the North Canberra Gungahlin Cricket Club.

The support provided by the Tradies Club is based upon its membership size: the larger the membership the greater the support. As an acknowledgement of the Tradies Club support, the cricket club would like to see all of the parents of the junior players become members of the Tradies.

I would ask parents to seriously consider taking out membership of the Tradies Club, and I am taking this opportunity to enclose a Tradies Club membership form. Membership of the Tradies is voluntary, but in view of the Tradies Club's marked support to the North Canberra Gungahlin Cricket Club, a strong membership take up by the parents of junior players would convey a positive message to the Tradies Club Board.

Yours sincerely
