Sponsors 2009/10

President's Report

I am pleased to present the 2009/10 Annual Report and Financial Statements to our members.

Our Club is continuing to improve both on the field and off, in a sustainable and manageable manner. On the field, we saw two premierships. Firstly congratulations to the First Grade Women (Great Impressions), who won the Women's Premier League competition, in a combined team with Western Districts and ANU. Secondly, Third Grade managed to back up their two-day premiership last season with the one-day trophy this year. Both teams were extremely impressive and should look back on the season with pride.

Off the field, we are probably in the strongest position we have ever been. Thanks to some prudent management over the past five years, we have managed to build up a healthy financial base, which will allow us to invest in infrastructure at our new training centre and clubhouse at Harrison. Along with a hardworking committee, this allows us to build long term strategies that will not only increase our on field success, but will also allow us to maintain it.

One significant move by the club this season was the establishment of our relationship with the Tradies Group. I asked twelve months ago for all of our club members to support the Tradies, as our major sponsors and was always proud of the way the club managed to come back and support our sponsors after games and at social events. I hope that this is the start of a long term relationship between our two organisations and thank the Tradies for their continued support.

I would like to thank the Management Committee for their support in my first full season as President, in particular Allan Hall, Rowan Thompson and Denis Axelby. Their hard work and dedication to the Club makes the job of President much easier to accomplish.

I would also like to thank all of the club's volunteers; the selectors, curators, captains, canteen helpers, scorers, training coordinators, junior coaches and managers in addition to the countless others who assist in making the club what it is. I'd like to make particular mention of Steve "Google" Moore, who was a standout winner of the Clubman of the Year award. We must also recognise the partners and families of our club members who are an important part of our community.

One can not look back on the season gone without mentioning the efforts of Peter Radford. Pete had a stellar year as a batsman and skipper of our first grade team. Over 600 runs, including three hundreds, selection in the ACT Team of the Year, as ACT First Grade Captain of the Year and as North's Club Champion is an outstanding effort. Congratulations Pete.

Moving forward into season 2010/11 and I have only optimism. We still will encounter some challenges; for the first time we will be moving our training base from the Inner North to our new development at Harrison. I recognise that this may present an imposition of travel time to some players. I hope that when you have the opportunity to visit the facilities there, you will recognise the benefits of training at facilities that will be second to none in Canberra.

Our playing stocks look as good as they have in all grades for a number of years. I hope that not only will we have new facilities, but we will be looking to incorporate new

training methods to help us to continue to improve. However, not all the focus should be on the field. This season, I'd like to see our numbers increase again, and I'd like to continue to hold more frequent and accessible social events. Who knows, someone might even come out of the woodwork and beat Carpy at Pipe Night this year!

I hope you all have a season full of good results and good times, Go the Eagles!

Albert Eichholzer

Finance Committee Report

The first thing to say, is that for the first time in a number of years, the club has incorporated the financial statements of its Junior arm. The seniors and the juniors are actually the one club. To reflect the complete financial position of the club, I have included the senior and junior clubs separately and then consolidated them.

Firstly the senior club has had another successful year financially. Generous support from our new sponsor in 2009-10, the Tradies Club, has seen our total income hit a record high of nearly \$92,000. Other contributing factors to this income include:

- all players bar one paying their fees;
- the introduction of the sixth grade team;
- an increase in grant payments from the ACTCA;
- a one off contribution from the Tradies towards the cost of new training and playing shirts;
- interest earned on the term deposit; and
- successful, fun and well run social events.

The major increase in expenses incurred by the club were the purchase of new playing shirts, caps, and training shirts which were all provided to players free of charge. This came at a substantial cost of over \$20,000. A major investment was made in the club's first grade side with the addition of some quality players and the retention of the club coach. And of course no one will forget the presentation night with lobster tails and quality steak, surely the best catered presentation night in the history of the ACTCA.

After it is all said and done the club was able to make a profit of \$13,700. Although not budgeting on a profit at the start of the year, the continued hard work of the committee, the introduction of the 6th grade side and a fantastic performance by the players has ensured that we exceed our expectations.

In terms of the senior club's assets at 30 June 2010, the bank account balance was \$20,223 and \$26,443 was held in a term deposit, resulting in a net asset position of \$47,354, after taking into consideration some minor assets and creditors. Obviously we are not looking to make large profits or have a heap of money in the bank, however the committee is conscious of what lies ahead with the fit out of the club rooms at Harrison, the fit out of the nets at Harrison and other equipment purchases to make your training better. Further it is important that the club keep some money in reserve in case of the loss of a major sponsor. The club has had a long history of living hand to mouth, with little or no investment in its facilities, purchase of clothing for players, or investment in playing stocks.

I won't go into detail about the Junior Club, however it is financially successful also, with income of almost \$50,000 and resultant profit of \$10,044. It too has a term deposit of \$44,000 and bank account of \$6000. I would like to thank the Junior treasurer, Linus Ryrie for his handwork in getting the information together for the junior accounts.

Finally the consolidated accounts, it makes impressive reading, income of \$141,840, expenses of \$118,098, resulting in a profit of \$23,742. In terms of assets it has \$97,000 in cash and equipment (although the junior equipment is mostly expensed).

I would like to thank all those people who contributed to the financial performance of the club this year, people who paid their fees on time in full, those who worked behind the bar at KT Memorial, particularly John Gaskin, the curators who occasionally had to wait for me to make payments, those involved in the social events this year Steve "best clubman" Moore, Sam Rooney, Tommy Rowe, Allan Hall and the Lamond family and finally those on the committee who got sick of my asking for Invoices - particularly Denis who at one stage wrote "I have the invoice and I am prepared to give you my birth certificate, licence and fingerprints if that is need to get a cheque written for this amount!!!!!!

Finally I would like to thank my assistant treasurer Tom Maling.

This report, together with the financial statements, outlines the clubs financial activities for the period 1 July 2009 to 30 June 2010, with last year as a comparison. I commend the report to you as members and recommend its adoption.

Rowan Thompson
Treasurer

INDEPENDENT AUDITOR'S REPORT

To the Members of the North Canberra Gungahlin Cricket Club

I have conducted an independent audit of the accompanying financial statements of the North Canberra Gungahlin Cricket Club, including the North's Juniors, (the Club) which comprises of the Balance Sheet as at 30 June 2010 and the statement of Profit & Loss for the year then ended.

Officers' Responsibility for the Financial Report

The Club's Committee is responsible for the preparation of the financial report and the information they contain and for such internal control as the Committee determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on my audit. I have performed the audit to obtain reasonable assurance whether the financial report is free from material misstatement. As a member of the Institute of Chartered Accountants in Australia (the Institute) I am required to comply with the Institutes ethical requirements relating to professional conduct.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion the financial report presents fairly, in all material respects, the financial position of North Canberra Gungahlin Cricket Club as at 30 June 2010, and its financial performance for the year then ended.

David Graver CA 270204

1st Grade Report

The 2009/2010 season was one that provided both high and low points. Our high points included making big improvements from the previous season. This was reflected in that in 2008/09 season we finished 8th, last season we finished 5th and daylight was 6th. Our batting improved markedly and we were able to consistently post good totals. Our top 8 generally batted with application and determination. Our bowling was also an area of improvement and we were able to bowl teams out in the first part of the season.

What was disappointing was that we were 1st at Christmas and lost our way to finish out of the finals by the season's end. A few draws against weaker teams hurt us a great deal. Whilst we are a very good batting team when we lost wickets we lost them in groups, leading to the odd collapse. We also lost our good areas with the ball in the 2nd half of the season which

resulted in us not being able to bowl teams out quickly enough. Dropping catches was another area that required improvement for us to make the finals.

As a whole we have taken a positive step forward in our ultimate goal of achieving a 1st grade premiership. We need to improve on our areas of weakness mentioned above to do this. Better and more focused training sessions (which will be helped enormously by the move to Harrison nets) and greater self belief will hopefully keep us moving in the right direction.

I'd like to publicly thank the committee, Jude Hall, John Gaskin, and the Rev for all their help this year. They've really made a difference to the team and we all appreciate their efforts enormously.

2nd Grade Report

Looking back on the season, it was one of some good highs and not so many lows. Overall, the team deserved to be in the finals and I rather think that had we not come up against Queanbeyan in the semi, then we would have played them in the final, as I believe that we were the 2nd best team in the comp. In the end, however, a lack of big scores and perhaps being a quick bowler short eventually took its toll and ended what was a reasonable if not outstanding season.

Second grade has long been a problem child, requiring experience and a lot of youth to provide the balance required to be competitive. So it was again this year with Paul Stephens leading the side up until his December departure, and then yours truly taking over the reins until the end of the year. Stepho continued to provide solidity in the middle order, and, along with Hall and Fitzsimmons, manufactured a marvellous victory against old rivals Wests, when, from a position of 4-10 overnight, it looked like all was lost.

However, one swallow did not a summer make, and although there were good contributions from a number of batsmen (McGurk, Hall, Fitzsimmons, Gnanadurai, Beames, Rowe), there was ultimately a lack of late season consistency with no batsman passing 400 runs for the year, and no-one scoring a hundred. Despite this, some bright spots were glimpses of excellence from Tom Rowe, and on a number of occasions, bowlers contributing with the bat where, in previous years, they had not done so. I truly believe that to be the best side, it has to bat down to 10 or even 12. Something to consider for next season!

On paper, 2nd grade had an awesome bowling attack: 4 class seamers in Glenday, Bissell, Fitzsimmons, Murphy and eventually Kaminski. Spin was to be provided by the evergreen Jelfs, with Tom Rowe showing that one day soon he will be pushing the old stager for the rights to the title. The firepower of the side was demonstrated in no uncertain fashion in the outright demolition of ANU, with Murphy bagging a big bag and then sliding up to first grade. Later in the season, the bowling suffered a setback as a number came and went. Fortunately we gained the services of Tim Halvarsen who showed how good a bowler he could be on one riveting occasion against Creek, where Tim grabbed 5 on the flattest pitch ever, bar none. Of all bowlers, Ryan Bissell showed some great workhorse characteristics and deservedly took the 2nd grade bowling award with 20 wickets for the year. Other players to recognise include Jack Donaldson who showed some great resolve behind the stumps and again Tom Rowe who will be a very handy cricketer, once he goes to some anger management classes!

There was nothing wrong with our commitment. We simply lacked toughness in batting, and probably one more quick or class spinner. The batting we can work on, the bowling we will hopefully recruit. As always, it was a great team to be a part of, and whether in victory or defeat, the North's' character come through.

3rd Grade Report

2009-10 The season that was and the season that could have been.

Another very enjoyable season befell the flagship. A few stalwarts from previous years started the season in 3's, Jason McNamara, Al Atkinson and Andrew Roe would be the core for much of the season, joined by other experienced players Charlie Eichholzer and Paul Harders.

To balance the older blokes there was a good smattering of young talent, Tristan Du Toit a.k.a. the Frenchman, Faraz Jafri, Tommy Rowe, Liam Greenwood, Louis Rutzo and Jordan Dang. All played their part during the season, Tristan took regular wickets and was good fun to have around, Jordan worked on his game and made some solid contributions with the bat whilst opening, and even took two wickets in two balls in his one over for the season (possibly under-bowled after seeing the stats) Louis came into the side and produced with the ball. Liam despite not having a great season, kept on trying and continued to train hard – I personally really enjoyed having him in the team, as he was angry, aggressive, great at taking a joke (not) but was always there when you need him, except when he got lost coming to games.

Jack Gillespie, a little bloke called Tommy Maling who has a heart like Phar Lap and Mark Strong came into the team and gave it some real talent with the ball, unfortunately not many runs with the blade.

I guess when looking back at the team, I can see that we probably under achieved with such a strong bunch of blokes, I mean we had the winner of the Pipe night, the runner up, several finalists and the winner of the Eichholzer battle, Charlie. The team at many stages just failed to make enough runs, which in the end probably cost us a chance of playing in the 2 day finals.

But anyway the good news, prior to Christmas we were playing ok, not losing many games, a good win against Wests before Christmas set the team up. Sitting about fourth in the one dayers, Austin Harris came along and took 7/25 against Wests, after conceding 15 off his first two overs. Wests bowled out for 45 allowed the team to get a double bonus point. The team backed this up with another double bonus point win over Ginninderra when Charlie ripped through them, bowling them out for 85. This ensured we finished on top of the one day ladder.

The first semi was against an improved Wests, who rolled us for 140, however the team bowled and fielded fantastically to have Wests out for 100 odd. Wests complained about the pitch despite making 60 more than then when they were on their home ground where the pitch was fine according to them.

The final was against a very experienced Queanbeyan outfit, I lost the toss like I do for all games where the toss actually matters, and batted. Straight away they attacked us, after making 300 against us in our previous one day game earlier in the year it wasn't a surprise. However this time the bowling was much better, with Tommy Maling, Carpy, Louis and Tristan bowling very well to keep them to 137. Despite losing Dangas early,

Jason and Paul Harders (47) put on 80 for the second wicket effectively ending the contest. Tristan and Jason saw us over the line Jason finishing on 62 no. A very pleasing win. Hats off to Queanbeyan who were very gracious in defeat and hung around for a few beers with those of us old enough to drink them.

A couple of special mentions, first Giles Tranter, who fielded and sledged like Ben Cousins when he was having a good time, Carpy who at times didn't get a bowl but still fielded like a touch of the ball was a chance to get lucky, jumped at every chance!! and finally Charlie who despite being desperate to play in the GF withdrew 10 mins before the start after he decided his hammie probably wouldn't make it through the game. All of these blokes put the team before themselves and it is why they are such good blokes to have around the club and in your team.

Before I finish I need to acknowledge the special performance by the Vice Captain Jason McNamara, not only did he set the example in the field with some fantastic catching, but he almost single handily kept 3rd grade in games with his batting, 460 runs at 38.33 whilst keeping the whole season is a supreme effort. His highlight was a 100 against Wests (they were on the end of all our outstanding performances back luck Wests). Thanks for your support during the season Jason, I look forward to doing it all over again with your next year.

Unfortunately we didn't make the two day finals, being third place before the last game and 6 of the 8 teams being in contention, we lost to the eventual premiers Queanbeyan and our dream ended.

I look forward to playing with many of the lads next season so that we can pick up where we left off and have an even better season, with hopefully mean other Northies teams making the finals.

Rowan Thompson

3rd Grade Grand Final Report

The North Canberra Gungahlin Cricket club won the 3rd grade one day competition for the season 2009-10. The match was played on Sunday 21 February at Keith Turner (KT) Park against Queanbeyan. The NCGCC side was captained by Rowan Thompson and included Jason McNamara (VC), Paul Harders, Jordan Dang, Alistair Atkinson, Tristan Du Toit, Mark Strong, Liam Greenwood, Giles Tranter, Louis Rutzou, Jack Gillespie, and Tom Maling. This was a young side that also fielded several new members to the club.

Queanbeyan won the toss elected to bat in good conditions. The Queanbeyan side boasted a formidable batting attack and had the edge, scoring 300 against us in our last match. Some good early bowling restricted the run rate and wickets soon followed. The team never relinquished the pressure and rolled the Queanbeyan team for 137 in the 40th over. All bowlers shared the wickets, bowling tight lines and to the field that was set. Fielding was outstanding on a superb outfield with several catches and a run-out.

After a short interval Northies began the run-chase. Queanbeyan opened up with experienced bowlers, of which one was a regular first grade player for the club throughout the season. Despite the early loss of Jordan Dang, the batsman consolidated and made the bowling look pedestrian. Both Paul Harders (47) and Jason McNamara (62 not out) batted superbly. Harders played a gritty grand final innings and provided a solid foundation for the run chase. Jason McNamara continued his excellent season form with an aggressive innings whilst offering no chances to the opposition. When Harders' fell 3 short of his half century Tristan Du Toit joined Jason and the two steered us to victory in the 32nd over. Du Toit finished on 17 not out and Jason finishing on 62 not out.

It was a fantastic effort from a young and inexperienced side. The team and other club members present belted out the club song and settled in for some after game drinks with the opposition, demonstrating the sportsmanship displayed by both teams. Special mention goes to John Eichholzer for preparing a good deck for the final. Charlie Eichholzer, who had been instrumental in the team's qualifying for the final, pulled a hamstring in the final training session before the match. He provided fantastic support to the players throughout the final and deserves special mention. Last mention is made to thank the club members and supporters who turned up to watch. The numbers were a little disappointing considering the great team atmosphere of the club, and hopefully in future grand finals we can strengthen our support.

4th Grade Report

This season saw a very optimistic beginning with many of our 4th Grade aspirants being consistent participants at pre-season training. The talent pool looked very promising and our expectations were understandably high. We also realised that there were going to be some obvious challenges when the season proper started, simply because a team can not lose the calibre of players such as Denis “DA” “Mr Cricket” Axelby, Aiden Mc Nicholas (Opening Batsman), Peter Nelson, and Dan Gerritsen, without having some major effect. This also meant a change of leadership and there was always going to be huge void left behind after DA. It was not going to be easy to replicate the experience, knowledge and guile that DA utilised with casual aplomb each week.

4th Grade teams have a history of uncertainty and disruption. This is simply due to the fact that many of our “young guns” are moving up into open age turf competition and also many of our “past heroes” are still good enough to play at this level. There often seems to be the “revolving door syndrome” happening at our level of competition.

We began the season with a very strong and well balanced side. We had a great mix of experience in Bryan Coughlan, Stephen Moore, Lance Moulton, Paul Harders, Matt Smith, and Tom Docker, and enthusiastic youth in Jack Connell, Jacob Little, and Louis Rutzou.

Our early focus was for players to spend time at the crease. This was achieved in many instances with some good partnerships occurring, although not consistently enough. We also endeavoured to control our bowling economy with bowlers being challenged to allow only 3 runs per over during their bowling stints. Again, this was achieved on quite a few occasions by some of our bowlers but not on a scale that would allow us to dominate games.

After 5 rounds we felt we were definitely a team to contest finals. We had been competitive in all games but only successful in two.

I would like to congratulate the players I dealt with during that first half of the season. We had a different make up every week which meant players were being asked to fill different roles every game. This is quite difficult, especially if you are suddenly thrown in to a top order batting role, asked to bowl up the hill into the wind, or even field in an unfamiliar position. Each and every player accepted these difficulties and dealt with them in a very positive manner.

Being a new captain at a new club in a new competition and not knowing all the players as I would have liked was extremely challenging. The support I was given by the players was exceptional and greatly appreciated. A huge thankyou is extended to Stephen “Google” Moore for his support, encouragement and advice as my vice captain and for also being willing to take on the captaincy following my departure.

Notable performances that I would like to recognise:

- Tony Harman and Stephen Moore. Their willingness and example at the top of the batting order was outstanding. They always displayed the “correct” attributes that should be a part of every batsman’s make up. Our young players were always learning while these two batsmen were at the crease.

-
- Jack Connell. His eagerness to learn and improve was quite tangible. Jack looks really good for higher grades in the near future.
 - Matt Smith. A study in improving bowling skill. Always working to contain the batsmen, Matt was able to build pressure and often his bowling partner at the other end reaped the rewards. With his improved self-confidence, Matt's batting also became very consistent and his ability to stay at the crease was very valuable.
 - Jacob Little. Enthusiasm personified, Jake was always ready to keep wickets. Jake was often too hard on himself as he was always keen to improve his skills and assist the team position.
 - Lance Moulton, Paul Harders, Angus Calder, Adam Lawrence. Our medium pace all rounders. This group of excellent bowlers and middle order batsmen would have been the backbone of our team if we could have used them on a consistent basis, but of course being so talented they were always going to be the players shifting up grades to help the club. These guys would have controlled the middle order batting and much of each game through their bowling.
 - Stephen Moore, Tom Docker, Tony Harman, Salvo DeLorenzo. The experienced attacking nature of this group of players was a joy to watch and be a part of. Always looking for that slight advantage, or the move that will win the game, their advice, comments and commitment to the team, and the team spirit, was inspirational.

Looking forward to being involved again, Bryan Coughlan.

So second half of the season, started out with some high hopes of contesting finals and knocking Ginninderra off with a swashbuckling 57no was in-fact the outgoing skipper well supported by Salvo DeLorenzo 20no.

We had the opportunity to play in the One day Grand final bowling West's out for 105 which was a fantastic fielding effort from the team, at 1-42 it looked good, but a few nerves and a poor call saw the team all out for 85, we did a similar thing during our last game to qualify for the Semis, so next time its all out attack!

Bryan was by far the best batting option and this had shown for the first half of the season scoring 330 odd runs at an avg of just over 53, with a 92no v Weston Creek (not bad for a bowler) this was sufficient to see Bryan win the batting award.

Tony 'Kebabs' Harman, Tom 'Quags' Docker and Steve 'Google' Moore were our most consistent bats and provided good support, with Tony 64 and Steve 49 notching up 112 opening stand and Tom getting 54 in the first round and showing glimpses all season of a good batsman waiting to explode.

All the bowlers tried hard throughout the season with some very rewarding performances, Lance Moulton 6-19 and a 5 bagger, Tom Docker and Jack Connell a 5 bagger each and Steve Moore 6-60.

Jacob Little showed good promise with the gloves for his second season, especially after purchasing new ones and his batting also improved, with his nice straight drive, his

assistance as my pseudo Vice Captain after Bryan left was invaluable as he would always give advice I liked “ Hey Google I think you should have a bowl”!

Matt Smiths bowling improved throughout the season taking 14 wicket @ 20ish but his eagerness and will to do well, taking 7 catches gave him the fielding award, and even telling Leg spinner Blair Rivers what he should be bowling.

Steve Moore ended up winning the bowling award taking 21 @ 11 ish and Lance Moulton taking 20 @ 12 ish.

Mainly, the season showed what can be achieved if you bowl line and length and stop the batsmen scoring, and what can happen if you occupy the crease for a period of time.

For me, having been given the opportunity to Captain the team for the second half of the season after Bryan left was a joy and honour, we have a good nucleus for the team and I am chomping at the bit to play again with Bryan back for another go. Hope the regulars come back and I think we can give it a good shake.

Cheers

Steve Moore (Google)

5th Grade Report

This year saw many of the old faces return for another run in 5's as well as some cameos from the recently retired stocks of Northies alumni.

Providing maturity, mentoring, and a gentle introduction into the world of turf cricket for the throng of youngsters who walked to the pitch in defence of Northies honour this season were the likes of Pete Nelson, Rob Docker, Joe Gunning, Dennis Axelby, and Salvatore Delorenzo. My undying thanks to those stalwarts who helped guide our young side through what for many of them was their first senior season with Norths, helping to introduce them to what we hope is the Northies culture. I particularly want to mention Pete Nelson as one of the pre-eminent role models not only Northies but ACT cricket has to offer young cricketers – play a game with “The Rev” and you immediately become a better cricketer for it.

Obviously the selectors recognised that for fives to survive as a force into the future we need youth, so the rest of the 39 players who took the field for us this season were in many respects first time seniors players, having come up from the juniors competition and in some cases these lads would come straight to a game from one they'd only just finished in the morning in the juniors competition.

As with previous years team stability was jeopardised by the practice of elevating juniors on the back of a good performance. It's a testament to the quality of players coming up through the 5s that once promoted I rarely saw these lads again – (I bet its been years since anyone called Salvo a lad but I count him in that group)

To the season in more specifics, we probably held our own compared to last season with a 21% win percentage, even though our ladder position slid a touch.

Runs scored this season: 2260 (26 ducks, 3 Fifties) vs 1998 (23 ducks and 2 Fifties) last season

Wickets taken this season: 122 (1 Five for) vs 108 (1 Five for) last season

Individually we did a lot better this season. I'm basing my assessment on the “Club Champion” points (based on the MyCricket scoring method) in the two seasons. Last season the highest point tally was 33 whereas this season that number went into the 50s and a lot more players would have scored higher had February and March been a lot drier than they were. C'est la vie.

I would have to say that this year had higher highs and lower lows than last season. Who can forget, try as they might that game against Weston Creek. Creek batting first at Dickson limping in with 140 runs (D. Axelby 4/15 off 8 overs, J. Gunning 2/10 off 7 overs). At the 19 over mark Northies 4/102 (D. Chovatiya 32, S. Beban 28). At the 24 over mark Northies 6/134. 7 runs required, 4 wickets in hand, 21 overs remaining. All out for 139 in the 26th. HEARTBREAK.

By the same token who can ever forget the game against top of the ladder Eastlake the following week?! Eastlake batting first on Dickson all out in the 41st for 262 (D. Chovatiya 5/35). How were we ever going to save face in this game and return to Tradies that night with any sense of honour intact? Time to see what these kids and some of the older players could do in the face of such overwhelming odds. Well, by the

35th over we were 3/211 after an opening stand of 126 (Chovatiya 97 and S. Grimmett 40, with M. Donaldson cameo 40). At the end of the 44th over it was 7/258. Last over to be bowled – 6 balls and 5 runs required – does it get any more exciting?! Who was batting that last over? Ben Godwin and some infant called Josh Hogan (would be in the shade standing next to Ronnie Corbett). I mention this only to mention the disdain he showed for the opening bowler brought on to stem the tide of runs these two had unleashed in the previous over. A swerving, venomous full toss straight at the head of the temeritous teen was sent with contempt to the mid wicket boundary, and it was only because his arms haven't grown sufficiently to reach his wrists that he didn't get the 4 he so richly deserved. That was left to Ben Godwin the next ball who sent it away into the storm drain never to be seen again.

So there you have it, our season summed up in two consecutive weeks in January. Some wins we will bore our grandchildren with, and some losses that will haunt our dreams until age and dementia works its merciful magic.

I would like to take this opportunity to thank all those players I have shared the turf with this season. We all came a long way this season, you all had games to be proud of and games I was proud to be a part of your team. In the end, its how you enjoyed your season that counts, and what brings you back next season.

I still expect to beat Ginninderra and Weston Creek more often than they beat us, and I am really keen to knock off a few of the higher placed sides, especially Queanbeyan, Tuggers, and Wests next season. These are things we can do.

Thanks and see you at Harrison.

Steve Grimmett

6th Grade Report

The 6th Grade team played in the City & Suburban competition in 2009/10. We played 16 games with:

- 1 wash out;
- 1 draw;
- 6 wins; and
- 8 losses.

It was a momentous season for such a young team (except their ancient skipper). Every match we were playing against more experienced and seasoned cricketers, yet competed with a fantastic attitude.

We played on a variety of artificial surfaces and grounds where the unevenness of the field made you either a brilliant fielder or made you look a complete idiot in the field.

Some great performances were witnessed throughout the season.:

- Jake Exton (left arm opening bowler) bowled a batsman at Palmerston with a ball that would have demolished Ricky Ponting;
- Giles Tranter scored a blazing 120 and single handedly gave us victory over Tuggeranong. And he was just a fill-in;
- Josh Hogan in a match winning knock against the Sri Lankan hooked a ball off his eyebrows with pure class;
- Zac Brown displayed style of a great all-rounder with his ability to take a wicket in his first over and hit a six off the first ball he faced;
- Nic Pinto always earned the respect of opposition batsmen with his enthusiasm and 82% accurate bowling. He was very unlucky not to pick up more wickets;
- Dom Bennett is a great team player. He gives 150% every game and his wicket keeping and catching were an inspiration to the team, not to mention his sweeps off the off-stump for six;
- John Piechowski became of very accurate and effective off-spinner through the season and deserves opportunity in higher grades;
- Scott Beban played a match-winning innings with an Adam Gilchrist-like strike rate. He was also extremely useful with the ball, doing a lot of the hard work;
- Mark Brown became a very useful top order batsman when he discovered that to glide, glance and place the ball brings great rewards. He was a great support for the team and bowled very accurately;
- Sam de Ferranti bowled very skilfully as he could surprise opposition with his swing and movement off the pitch. In one game Sam was unplayable;

-
- Luke Schlizo was a top opening batsman. He carried his bat in one innings and was the rock on which the team built it's innings. This determination and thoughtfulness was an inspiration to the team;
 - Myron Meates also carried his bat for a magnificent 58 not out. Myron was fearless in his approach to the game and contributed mightily with the bat and ball;
 - So many other players contributed to our season that it is impossible to recall everyone but to highlight the worth of the players, about 10 of them moved into 5th grade at some time during the season.
 - One feature of the entire season is that it's team played with great spirit whether winning or losing.

Pete Nelson.

Women's Report

Season 09/10 was one of significant departure in the world of ACT women's cricket with the ACT joining the Women's National League for the first time.

While the adjustment to the two-tier grade format made for some testing times in the season past the revised competition structure provides exciting opportunities for the club to really grow and become a significant force in ACT women's cricket and for female cricketers of all ages to take to the field with the best club in town.

I would like to congratulate all the girls for their persistence and enthusiasm in what was a highly experimental and, at times frustrating season across the competition. The introduction of the two-tier competition brought with it many challenges and in spite of the ultimate success of the format overall, momentum was gained and lost all too often during the season. The results for the women were mixed- our first grade players combined with ANU to form the Great Impressions Premier League side which rode the top of the table throughout the season to claim in the First Grade premiership.

I would like to thank Kris Britt, captain of the combined first grade Great Impressions side for her leadership of that unit this season and the support, encouragement and opportunity she has offered the players stepping up from second grade to represent the club in this side. To take the silverware in the first season was an amazing achievement and one of which she and the first grade girls should be extremely proud.

Congratulations to the following players on their participation in the premiership team:

Kris Britt (C)

Asha smith

Aimee Harris

Bec Maher (NCGCC)

Zoe Cooke

Kate O'Sullivan

Lindsay Stanford

Fiona White

Anthea Collins (NCGCC)

Peta Guy

Liz Quinn (NCGCC)

Jill Sheppard (NCGCC)

Carli Semmens

Caitlin Rawstron (NCGCC)

Leanne Davis

Leonie Coleman

For the second grade girls the season was a little more snake and a little less ladder! We were the best side never to win a game in the Twenty-20 competition and just couldn't put it all together on any given day but showed moments of what could only be described as brilliance (I am sure even our long suffering coach would agree) in the 40 over games towards the season's end. Throughout the season the effort, commitment and enthusiasm of the entire team was second to none. To the seconds girls: I hope you enjoyed the season as much as I did in spite of the absence of the elusive victories and will all be back to make amends next season.

I would like to take this opportunity to again thank our coach John Eichholzer for another season steering the turbo-charged juggernaut that is the Northies women's squad. We do learn a lot from you John (as scary and unapparent as that may be at times given our performances in the middle).

The time and energy you invest in furthering our cricket and our sense of pride in the Northies jumper is greatly valued. Your support and encouragement was critical to our enjoyment of the season, even if we are yet to bring home the silverware. We will do it one day! We are also lucky enough to have the best scorer in the ACT competition- Jude: thanks for counting all our runs this season and being able to remind too many of us how few minutes we had spent out in the centre! We love your work and couldn't be the side we are without the support that you and Bob provide at our matches each week.

To all the Northies and Great Impressions girls: it has been a pleasure playing alongside you in 09/10 and I look forward to next season.

Congratulations to all the Northies men's sides on their achievements for this season and we look forward to joining you in going one better next Summer.

Vanessa Jackson
