President's Report

I am pleased to present the 2010/11 Annual Report and Financial Statements to our members.

For the first time since 1976/77 we are Club Champions! Congratulations to all of our members, players, parents, supporters, sponsors, committee members and volunteers. We should now see ourselves as setting the benchmark for what it means to be a cricket club in Canberra. I hope that we continue to develop and grow into a dynasty where winning the Club Championship is seen as the standard.

We also won two Premierships. Congrats go to Thommo's thirds, who again won the one-day comp and of course to Google and his team for a thrilling fourth grade two-day premiership. We also came so close in ones (semis) and twos and threes (runners-up). All around, a great season by all.

I'd like to make special mention of Sammy Miller. Sammy not only was our Club Champion, but won selection in the Prime Minister's XI team that played England at Manuka Oval and was the leading run scorer in the Cricket Australia Futures League, opening the batting for the title-winning ACT Comets team and named in the ACT First Grade Team of the Year. Sammy has moved on to try his luck with South Australia and we wish him all the best – hopefully he'll follow the footsteps of his new housemate and go onto the SA team and beyond!

Once again, I'd like to thank all of our volunteers. Special mention of course goes to Bob and Jude Hall, who shared the Clubman of the Year award for 2010/11. Bob and Jude work tirelessly in thankless tasks and it is without doubt well deserved recognition.

We must make mention of the Tradies Group. I don't believe that it is a coincidence that our resurgence as a force in Canberra cricket has coincided with our sponsorship agreement with the Tradies. Having a home where we always know we will meet some fellow Northies cricketers is a blessing and is no small part of the great culture we continue to build. Thanks once again to Rob, Alison, Anthony and the rest of the Tradies.

It is with great sadness that due to work relocation, this will be my last report as President of Norths. I have been lucky enough to be associated with this club since playing Kanga cricket over 20 years ago and to have been President for the past three seasons. I am proud of all of what our members have achieved in that time on and off the field and I know that this Club will only go from strength to strength.

I would like to take this opportunity to single out a few people for special mention. I have been lucky enough to work with the three people who I think are the three best cricket administrators in Canberra. Allan Hall as Secretary, Rowan Thompson as Treasurer and Denis Axelby as General Manager, Cricket do not receive nearly enough recognition for what they do.

Hally really runs this club. He is up to date with everything that comes from CricketACT (a harder task than you can imagine), organises the committee and keeps the club running. Thommo spends countless hours chasing fees, keeping the books and making sure the club stays afloat. DA brings a wealth of knowledge in Canberra cricket, and looks after all the small things that everyone else takes for granted, like making sure grounds are booked and cricket balls are ordered. I'd like to thank those three for their amazing efforts – I have been blessed that the three of you have made my job so much easier than any President could want.

There are countless others for me to thank, but particularly the Eichholzer clan, especially Dad, who are never short on working for and supporting Norths cricket; Heath Axelby and Sam Rooney who have both been great sounding boards for countless ideas; Rob Docker who really helped move the club into a new era; Miles Boak, Sam Gaskin and everyone who I have served on the committee with. I'm sure that I've forgotten some people – my apologies for that, but your efforts are appreciated.

All that's left to say is good luck for the coming seasons. The move to Harrison is almost complete, and games will be played there this year. We have the players to once again be competitive throughout the grades. Our junior club is the biggest in Canberra and we are seeing the fruits of that as many good young players are moving up through the grades. I'm sure that this will be a bumper year for the club and I look forward to hearing about all the successes.

Go the Eagles!

Albert Eichholzer

Finance Committee Report

Fellow members, as occurred last year, I have included the Juniors financial statements in this report and have then consolidated them, as we are the one club. This reflects the complete financial position of the club.

Obviously as treasurer I wish to pass my gratitude to all the clubs sponsors for the valuable contribution they make towards the running of your cricket club. Particularly the Tradies whose significant cash sponsorship and use of facilities free of charge, allows us to continue to invest in coaching and attracting quality players, providing free clothing to new players and the purchase of training equipment.

Senior Club

Those of you jumping ahead will see that the club has made a small loss for 2010-11 of \$3,489, however this includes a one off expense of \$4,950 for net repairs at Harrison, with this one off expense added back we actually made a small surplus for the year. This is in line with the committees commitment to the strategic plan of maintaining a surplus position year on year to ensure the club survives a long time into the future. Further analysis of the Profit and Loss statement shows that our income dropped by \$12,700. This is reflected by:

- a reduction in sponsorship of about, \$10,000 due to last years one off contribution from the Tradies Club towards our club clothing;
- a drop of \$4,100 in player registrations;
- a drop in canteen turnover; and
- a reduction in the grant income received from the ACTCA.

The hard work of Steve Moore and his generous auction purchase of Sam Millers shirt saw our fundraising and social functions increase by \$700.

On the expense side of things, our costs rose by \$4,484 to a total of \$82,763. This is mainly made up of:

- a significant increase in coaching and player payments of \$7,518;
- the one off net repairs mentioned earlier; and
- a more expensive presentation night.

The net asset position of the senior club dropped due to smaller amount of cash held in the cheque account, which has been countered by a reduction in the amount outstanding to creditors as at 30 June 2011. The term deposit balance has increased through capitalised interest to \$28,000 by 30 June 2011. This is still reserved for funding the Harrison fit out and a amount to be carried forward as a safety net.

Juniors

Firstly thank you to Linus Ryrie, the juniors treasurer for the provision of information which has allowed for the compilation of the junior accounts. Like the seniors the juniors have had a reduction in their overall profit, due largely to a fall in player registrations, increase in coaching fees and an increase in the cost of “into cricket kits” . With the exception to equipment and minor equipment, the remainder of the expenses are fairly similar to the year before.

In relation to the junior balance sheet position they have been able to increase the balance of both the cheque account and term deposit. The creditor relates to the trophies which hadn't been paid at 30 June 2011. Overall the balance sheet looks strong for the juniors.

Consolidated

Due to a reduction in player registrations and sponsorship predominantly income fell by \$17,128. The expenses increased by \$5,400 which is mainly due to the one off net repairs. On a consolidated basis the club recorded a small profit of \$1,190.

The balance sheet of the consolidated entity looks very strong with over \$77,000 invested in term deposits and other available funds of \$15,000. The net asset position is very healthy at \$93,500 and is a credit to both of the senior and junior committees in tight fiscal control and long term visions.

2011-12 will hold its own challenges financially as sponsorship becomes increasingly difficult, particularly in light of the pressures on our main sponsor. Your continued support and commitment to the club is vital in its continued growth. Remember that your assistance takes a lot of pressure of the committee and ensures that any increases in fees are kept to a minimum. Ask not what your club can do for you, but what you can do for your club.

Obviously I would like to thank everyone for their participation in 2010-11, for paying their fees on time and without a great deal of hassle. Some special mentions to:

- Matt Jeppesen for his work with the Pirate Pub Run who not only sponsors a lucky pirate for the next season but also provides a donation to the club;
- Steve Moore for his hard work at fund raising including the trivia night;
- All those who worked behind the bar at KT Memorial, including for the KT day;
- The assistant treasurer Tony for his assistance during the year; and
- Finally the committee for showing an interest in the accounts throughout the year and having a long term vision for the club.

Finally I want to pass on my thanks and congratulations to Albert for the great work he has done as President for the two and a half seasons. Some of you probably think you know how much work he did however it's a lot more than any of you realise. Those of you lucky enough to go along to meetings with him, will have seen his complete and unreserved passion for the club. His unrelenting work with Harrison has seen the club in a great position for the future. I know he will be missed at the ACTCA for his forthright views and contributions he makes throughout the season.

He will be greatly missed and it will be up to the incoming committee to continue along the path he has set.

This report together with the financial statements, outlines the clubs financial activities for the period 1 July 2010 to 30 June 2011. I commend the report to you as members and recommend its adoption.

1st Grade Report

The season has been a frustrating one as far as results go for 1st grade. We had the team to give the premiership a good shake and unfortunately fell short.

The one day comp was especially disappointing as we had comprehensive victories and gained bonus points. Unfortunately we lost to Wests, a game we should have won and due to the weather one slip up was all it took to miss out on the finals.

Our 2 day form was pleasing as we were able to dominate teams when we had them down and also fought our way out of the odd tough situation. If we had been able to win the Tuggeranong game we would have been minor premiers.

We are still building as a team, culture and toughness take time to acquire and I think as a 1st grade squad we have come a long way in the 3 years since I've been here.

Sam Miller was the obvious stand out, a cut above everyone else. He could demolish a side with bat and ball.

Sam Rooney showed what he was capable of but the injury to his arm made the season very difficult for him to get going.

Albert and Beechy both had tough seasons but their determination to improve was exemplary and resulted in a solid finish to the season.

After a good start I was disappointing with the bat.

Sam and Seb both improved markedly with the bat even though the stats may not show it. They were hard to dismiss and have started to work out how to be more consistent. They are ready to take up the batting positions of 4 and 5 I believe next year.

Axe was again exceptional with both bat and ball. He consistently applied pressure with the ball and pulled us out of trouble with the bat from time to time. If he can play again next year it will help the team no end.

Djali displayed raw talent and good speed. If he can become more patient with the ball instead of always going for the killer blow, he will be a great asset to Norths and the comets in the future.

Andy Barnett was a great pick up for the club. When the ball was doing something he was exceptionally dangerous and when it wasn't he was patient and wily. It would be great if the club could get him back next year.

Kyle Piper was excellent with the ball, he was patient and able to build pressure resulting in many wickets.

Louis Rutzou was an important component of 1st grade this season. He was able to make the ball do plenty in the air when the shine had gone for everyone else. Once he

gains more control he will be a real force in 1st grade. We need to make sure we foster his talent and give him more responsibility next season in the top grade.

I would like to thank everyone for the opportunity to captain/ coach 1st grade, it has been a great experience and hopefully we have all grown in the past 3 years and improved.

2nd Grade Report

The 2nd grade squad of 2010-11 were a good mix of youth and maturity, and a great bunch of blokes. We came agonisingly close to making the semis in both the one day and T20 competitions, and were undefeated in the two day competition until our sad demise in the grand final.

As with many seasons past, our batting relied heavily on Gordon McGurk, who delivered with 428 runs at an average of just under 40. This included a fighting hundred in the two day grand final which gave us some hope. I hope that Gordon goes around again in 2011-12, as he contributes a great deal to the club both on and off the field.

Gordon's partner-in-crime at the crease was Gavin McDonald, who made 376 runs at 41.78. Gav set the standard for intensity, tactical analysis and mental preparation.

The up-and-comers such as Brock Winkler, Liam Greenwood, Dave Blackman, Nick McCarthy, Tommy Rowe and Tim Wills all shone at times, and I hope that in 2011-12 they can put in the work to be dominant in 2nd grade, and dominant in 1st grade.

2nd grade was spoilt for choice when it came to bowling, with three bowlers taking 20+ wickets in the season, and Charlie Eichholzer taking 19 wickets at 15.84. Steve Murphy (26 wickets at 18.27) and Ryan Bissell (23 wickets at 19.04) were regularly unplayable, and in the semi-final against Weston Creek they combined to take 8 wickets between them to dismiss Creek for just 85 runs in their second innings when they needed just 114 to win.

Angus Stormon was a great acquisition to Norths in 2010-11, taking 23 wickets at 16.87. His enthusiasm and passion for the game was infectious, and he carried the team in the first innings of the two day semi final, taking 5 wickets when we seemed down and out. I'm sure Gus will do the business in 2011-12 in both 1s and 2s.

Performing with both bat and ball were Simon Fitzsimmons and Mick Kaminski. Simon performed the dual role of top-order supporter and accelerator, as well as taking 17 wickets at 16.94. Mick hits the ball harder than anyone I've ever seen, and single-handedly changed the course of several games amidst a hail-storm of sixes.

Of course, the glue which held the team together was Phil Coe. Not only was his glove-work near-flawless, but his contributions with the bat were gritty and match-winning on occasions.

I'm sure that 2011-12 will bring even more success, in all three forms of the game.

I'd like to acknowledge and thank the huge efforts made by the Northies administrative team. The committee, led by Albert Eichholzer, the selectors, coaches, captains, curators, volunteers, sponsors and supporters worked extremely hard in 2010-11 and were rewarded with the Club Championship. What an amazing effort. I encourage everyone to get involved in the administrative side of Norths, as it's the volunteers who make it the great club that it is.

Allan Hall.

3rd Grade Report

2010-11 was another successful year for the 3rd grade team, regular players from last year, Jason, myself started the season with a brand new bunch of cricketers. Many young guys came through the team during the year to learn there trade, and some older blokes made welcome returns.

Dr Paul Jelfs and Brad Morgan joined the team, after very successful stints in 2nd grade for Dr J and after 5 years Bad Boy returned from his hard wicket days, where he went to be a batsman. With them and myself we had 3 of the top 10 wicket takers of all time in the clubs history, a good recipe for a successful season. On top of this we also had two of the top 10 batsman of all time in the team, in Jason and some other guy.

Mitch new joined the team after considering playing at Ginninderra, a decision he is deeply satisfied with, after playing Ginninderra and coping one of the worst episodes of sledging I had seen, but he didn't give in, in fact he thrived, I was really proud of the way he battled through it, when a lot of other people would have thrown their wicket away to get out of there.

The other young bloke who came into the side and decided to show everyone else how it was done was Tommy Howes in his seven games, took 18 wickets including getting Pete Solway out twice (Pete made 30 odd against our ones in the semi) this was a fantastic effort. He fielded exceptionally well and was very very enthusiastic.

Other players to note were Paul Harders, who was moulded into an aggressive opening batsman, who played some great knocks, and will just need to go on with them a bit more to realise how good he can be. He needs 15 wickets for 100, and will be pushing hard for a bowl next year, but to his credit didn't hassle me to bowl at all this year despite being so close. He is a great man to have in the team. Andrew Roe comeback from his tour across England, leaving all the women crying and men rejoicing upon his leaving, Roey always contributes 100% for the team and is a great fieldsman and motivator. His interaction with the young is very good and he is someone they can look up to.

The other player worth a specific mention is Andy Lamond, who despite the disappointment of being dropped from twos, made sure he did his bit for the team and was always an on-field leader, constantly talking and geeing blokes up.

Jason was the standout batsman for the year again with his 345 runs whilst keeping each match, and Harders was also good with his 254. In the bowling 11 wickets in one game saw me take out the bowling award with 24 wickets, but much needs to be said about Tommy Howes 18 wickets, basically 3 every game he played and Dr J and Bad Boy getting 18 and 21 respectively both bowled very well, being away to good for a number of players.

In terms of the team it was a great year, winning back to back one day premierships and making the grand final of the two day comp, which we lost due to an hour of bad batting, admittedly in some difficult conditions. The future looks bright for third grade, with a number of junior players pushing hard to play their in 2011-12 and rumours of some established players in higher grades dropping down.

Special thanks to Michael New for providing assistance whenever required, including buying a lot of cordial and ice, your help was greatly appreciated.

It was a privileged to again captain third grade, hopefully those who played with me enjoyed it, I am looking forward to another year in threes, playing with my mates, enjoying the game and if all things go as planned playing in finals. Hope to see you all again next year.

Cheers

Rowan Thompson

4th Grade Report

Where do you start when most of the season has been good? The beginning. Round one domination of Ginninderra, pretty much the same team that finished the last season; this would not stand for long as younger players and players of the past started to come back to the Eagle's Nest. This saw a very optimistic beginning with many of our 4th Grade aspirants being consistent participants at pre-season training (reads like last seasons opening, wish my opening batsmen were this consistent)..... The talent pool looked very promising and our expectations were understandably high. We did not have last seasons main run getter in Cogs, so there were going to be some obvious challenges when the season proper started.

My main effort this season was to have a consistent team, I think that goes with all teams, so using 29 different batsmen and 24 different bowlers compared to last season seemed rather consistent. As previously discussed it was the domination of Ginninderra that began the season with a very well balanced side. Last seasons mix of experience in Stephen Moore, Tony Harman, Matt Smith, Dan Gerritsen and Steve Mammoliti and enthusiastic youth in, Jacob Little, Andy McDonald and Matt Boak, the ever patient Bala Mohan opening with the bat and left handed whiz Austin Harris opening with the ball and new kid on the block Dave Blackman.

The blackboard at Reid had the rules, bowl straight, back yourself in the field and with the bat, focus on the job at hand, and results will come. This was achieved and they were gone for 53, Austin taking 5-11 and well supported by Andy Mac 2-11 and Matt Boak 2-9, we knocked the runs off that arvo and were 5-81, Mamma's 21 and Bala 20 looking in good touch with Jacob Little 10*. Then it all began.....rain.....no other results that weekend, we were on top of the table and off to a good start. That seemed to be the trick, don't get washed out win early! We backed this win up with a good win over the students, batting first 212, Bala 34 again impressing, skipper with 32, Dave Blackman 27, Joel Rivers 20 and Darren Eihkfygfhhbkud (you know how to spell it Eichholzer) 20*. At 9-175, Darren was well supported by Andy Mac, 15 for the 10th wicket partnership of 37 that was not beaten by any team in the comp, this was a game winning partnership as ANU were rolled for 184, skipper 4-39 and young medium, going to be fast Jackson Nichols 2-29 and Bala Mohan 2-20 in good support. The fielding was great as well with Joel Rivers taking two magnificent catches low and to the right. Two from two! The test was to come.

The team whom I believe to be the 4th grade nemesis WDUCC, yes Westies! We won the toss and elected to bowl. With four U15's in the team Tom Howes, Matt Boak, Ethan Bowditch and Jackson Nicholls, a bit of a test for them against last years premiers and they made good account for themselves, Ethan Bowditch getting the breakthrough with Matt Boak taking a nice clean catch to dismiss Mr Hook (the guy who hit 126 in 60 minutes after being dropped on 0 last season), Google chimed in with the next wicket to have West's 2-65 getting last weeks highest scorer of 95 for not many, soon after West's were 4-86 from 29, lucky not to be 5 fa! West's started to rebuild, at 5 o'clock they were 4-168 from 66, I waited for the onslaught but it never came, the young guys bowled their second spell really well and were unlucky not to dismiss either batsman. West's finished the day 4-209, I expect no declaration but about ten over's of wielding the willow.

Day two, sure as eggs they said they would bat on, I really was hoping the rain would come. One of their overnight 50* batsman was run out without scoring from a dynamite piece of fielding by Joel Rivers from cover, lucky our keeper has good hands. Tom Howes then made a super effort to help dismiss the next wicket, suddenly 6-212, we picked up two more wickets and they declared at 8-256, Google 5-44.

Bala Mohan and Steve Mammoliti started well, both giving Jim Harrison easy wicket caught behind, Tony 'Kebabs' Harman showed why he is valuable to the side settling down to compile 26 from 60 balls over 105 minutes with good support from Google they put on 45 runs, Google and Jacob Little (16) put on 25 together in the next stand, Jacob showing his determination, Tom Howes (7*) joined Google for a 37 run partnership that gave a chance of saving the game. Google (47) gone, Tom Howes seven runs from 37 balls was worth 100 runs, he and Matt Smith (favourite score 11*) held out West's to take the score from 9-145 in the 58th over, during the rain, to stumps 9-160 for a well deserved draw and to leave Northies fourth Grade undefeated on 14 points and last years premiers asking what happened. Great game, and shows how to fight and not to give in.

Then the rain fell, some sort of thing called T/20 happened, that was a blur and an eye opener. Off to Blue Bag Territory to consolidate top spot, with ANU and the Baggers nipping at our heels, not a good batting performance all out for 138, Steve Mammoliti 22 and youngster Matt Boak 21* and the skipper 45, that afternoon we could have had them 4-14 but holding catches seemed to be difficult, they passed our score 3 down. Weston Creek game arrived and went, as they did not want to play, too much moisture on the ever improving Reid wicket, (thanks to our English curator Andy Barnett). Weston did not have enough rest during the rain so no game eventuated.

One day cricket started, it was the Tigers who got the best of us first, Phil Ferreira 49, Skip 24, but this was the beginning, Bryan Coughlan 24* started slow with Joel Rivers 16 to rebuild after losing two quick wickets, at the fall of Joel, in came Carpie 41* from 21 balls, a 65 run partnership from 8 over's, the Tigers were rolled for 106 Matt Smith and Google 3 wickets a piece. So the season rolled on with a two run loss to West's, Phil Ferreira 48 and Jack Gillespie 4-27, and a one wicket loss to Queanbeyan, with previous player Mick Donaldson 43 coming back to the club and Google 43, the older bowlers Cogs 2-27 and Google 3-25, trying to no avail.

A quick game against Eastlake 49 and us 1/54 pushed us back to the top of the two day ladder, finals were now a certainty, but at what position, this was a good result as the one day finals disappeared with the two close losses.

Tuggeranong, two points behind us, meant a win was required, yes rain interfered and we lost the toss to boot (so did one's, two's and three's). At 2-9 we were in trouble, so when the skip went out at 3-9, things looked grim. Micky D 82 from 119 balls and Google 100 (a ton, a Century not 96) from 160 balls steadied the game and broke the ten year, 4th grade, 4th wicket partnership compiling 167 runs. A draw ended up a good result considering the situation we had been in.

Weston Creek stood between us finishing 1st and third, so a good result was required, batting first Dave Wolthof 88 and Micky D 84 did the damage missing out on another partnership record compiling 143 runs, Cogs chimed in with a hard running lesson for young players notching 55 before play ended the day at 6-283. We got straight to the task with dismissing Weston for 63, Matt Smith 3-23, very unlucky not to get more

wickets, and Google 6-24 and a Hatrick all bowled had the ball on a string, we pushed for the outright but closed the game early, apparently Google's celebration run for the Hatrick was faster than his run up. Jackson Nichols bowled well in support 1-16. Semi Finals here we come.

Its not often you play in a final and not have spectator support from club players, but as the club had done so well winning the Club Championship, this was the case. I opted to play West's at a place of my choosing, so Footy park it was at Woden, better than Jamieson, we lost the toss and they batted, they had a different look team top previous games and certainly their batting was stronger, Mr Hook got dropped first ball again and proceeded to punish us banging 1 x 6 and 14 x 4's to get 85, they got to 8/309 and decided to declare and bowl at us. Travelling nicely at 18:06 and 0-52, I thought yes, this is good at 18:18 and 3-60 I become rather worried. Day two and night watchman Joel Rivers 35 from 100 balls did the job, focus and time at the crease was the order and no better batsman to watch doing this was Cogs, his 62 from 173 balls was what we needed, it was followed up with a 55 from 156 balls from Micky D and the skippers 15* from 56 balls to put the sword to West's, that's when they realised they had to bowl us out. Draw off to the finals, it was great to see the support from the twos and threes that afternoon, it felt very much a club effort, thanks guys.

Grand final vs the Blue bags, I opted to play them at a place of my choosing, so Kingston oval was my choice, you guessed it; they won the toss and batted. Matt Smith and Jacko started the bowling and Matt final grabbed a sharp at the ankle caught and bowled to start the flow of wickets, I chimed in with one then Rivers got one, then there was a lull for a while, then it happened, a sharp chance (rather slow actually) to the skip at short mid wicket split the webbing on his hand, off to the quack, take over Cogs, an hour and a half later, Joel rivers had picked up 4-83, Matt smith a second, Phil 2-40 and they were all out 280. There was good support from 1st Grade with trumpet blowing and screams of get another wicket or other words not audible to the human sober ear. Two over's we had to face and at the end of play 0-2, with a big day ahead.

Chasing 280 was achievable as we had done similar the week before, Steve Mammoliti 26 from 53 had a good start. Micky D 62 from 86, Phil Ferreira a force to be reckoned with 88 from 119 balls batted well and put on 83 together. At 5-174 it was looking shaky, at 6-220 ok and 7-240, not good, 8-248 my heart was racing. In strides 15yo Jackson Nichols, best batting challenge of his life, 30 over's to score 32 runs with a 20 minute tea break, two hours 38 of batting time left, a mate that says, I don't want to bat today, and three club teams spectating urging the team to win.....well it was a good challenge for me anyway! Jacko and I slowly took runs from the total to the point where the new ball came with 9 runs to win and two wickets in hand, it was us or them, every run was cheered from the crowd, even a leg bye was a glorious shot, but the best shot was Jacko hitting the winning runs, it floated for what seemed to be hours past the outstretched hand of the fielder, yes back for two. The crowd relieved that we had some silverware for the cupboard, the filed was a sea of blue and gold and a great relief came over me, Jacko's 8* from 37 balls and 49 minutes, and 40* from yours truly was one of the best batting experiences I have had, it was great.

I would like to thank all those who took time to watch the semi and grand final, it was much appreciated from all players, special mention for Andy Mac, not picked but being there and Jordan Dang for his efforts as well.

The support I was given by the players was and greatly appreciated, especially when asked to play in a certain spot that was not what they really wanted. A huge thank you goes to Tony "Kebabs" Harman for his knowledge on different wickets and how they played, and supporting feedback if I had done well or not, it's a shame you are finishing, and Bryan "Cogs" Coughlan for his thoughts, encouragement and advice as my previous captain and for taking on the captaincy during the Grand final when I split my hand, who knows what would have happened if that had not been the case.

For me, to Captain the team for the second season in a row and win a title has been an honour, we have a good group of young players coming through, around the end of last season, Louis Rutzo played threes and fours, this year ones. Put your head down and you will get there.

5th Grade Report: Golden Eagles

Along with Ginninderra Gold, the Golden Eagles were the equal youngest side in the competition.

The Eagles performed very well throughout the season. In every match except one, the Eagles were very competitive.

There were many outstanding performances throughout the season, including:

- A match-winning 90 by Scott Beban in our opening game
- A magnificent opening partnership of 193 between Salvo Delorenzo and Greg Ward against Ginninderra
- A top innings of 135 from Salvo Delorenzo against Ginninderra
- A superb 3rd wicket partnership of 141 between Josh Hogan and Brett Morris against Tuggeranong
- A smashing 92 not out from Leigh Gibson against Wests UC
- Kamikaze running between Josh Hogan and Tommy Togan against Tuggeranong. They bamboozled the Tuggeranong fieldsmen
- Top-class catching from Salvo, John Brennan and Vaughn Smiles
- A great season's effort from our fast bowler Daniel Ward: 16 wickets and some super caught and bowleds
- Tommy Howes and Michael Boak put in excellent all-round performances
- The full-on keeping and fielding efforts from Jason Bishop and Vaughn Smiles
- The courage and selfless teamwork of Brad Kirkness
- The consistent all-round play from our number one encourager, Brett Morris
- The brilliant bowling burst of Ahmed against the Bald Eagles.

It's going to be a great joy to see these young cricketers take giant steps in the coming years and become top performers for our club.

Pete Nelson.

5th Grade Report: Bald Eagles

When I wrote the first of the “Messages from the Front” this past season I mooted a name change to Maxwell Smart and His Agents of Control, with our motto being “Missed it by THAT much”, or alternatively, “Sorry about that Chief”.

We had had so many close calls and rain outs that I was convinced the Grass Widow (Her Indoors) had done some fancy footwork at her Gungahlin CWA (Country Wican & Alchemists) Meetings and managed to curse the season, just because I refused to do any work around the house on Saturdays and Recovering Sundays. Honestly, there’s no pleasing some people.

A quick gander at the results (see below) tells our story of woe – at least in the early part of the season, with two narrow losses up front early, a total hosing rain out, and a lucky escape for Queanbeyan due to the Fickle Rain Gods (refer note earlier re: Grass Widow).

If the pre-Christmas half of the season was a tad frustrating then the back half turned out to be even more so. One word can best describe the latter half of this season – RAIN.

Round 13 - Great performances from Ron Axelby and Sam DeFerranti, each picking up 3 wickets with Dan G grabbing a sneaky 2, followed by some solid batting from Dicko, Myron, DA, and Dan G. Was it any wonder Dan G kept getting the call up to 4s?

Round 14 - Bald Eagles 5/140 (Meates 39, Dixon 38) def ANU 105 (B Eichholzer 5/30 off 6.1 overs) Yes, you read it right BRENDAN EICHHOLZER with a 5 FER!, and that man MEATES in the runs AGAIN.

Round 15 - Who can argue that the Axelby’s aren’t bowling hand grenades when they pick up 7 of the 8 wickets between them? By this time the story of the season had to be the almost love affair that was being played out between our two openers Wolthof and Meates. Stand aside Hayden and Langer there’s a new team in town its Wolthof-Meates (aka The World of Meats). If only we’d been able to grab those last coupla wickets what

a result that could have been. Sadly, some disallowed stumpings and caught behinds meant that wasn't to be.

Round 16 – Wash Out against Eastlake

Round 17 – Wash Out against Ginninderra Gold (I can't stand the rain)

Won the toss, batted first and got our 45 overs in (most of it in the rain) before the Heavens opened up and we packed up and went home without bowling a ball.

Great positive batting from Dave Wolthof who anchored some very good partnerships at a time when we were looking pretty vulnerable (at one stage 4/44 off 22 overs). He finally came into the sheds on 46, with six overs left in the innings. We finished up after 45 overs at 8/166 on Aranda (aka The Somme)

So, post Christmas thus far - two wins, one VERY Narrow Loss (let it go Stephen), and three wash-outs.

Two games left and a bye in the last week made our finals chances slim if non-existent, but there was no way we were going to put our whites in the Napisan for the last time without giving it a damn good run. We'd played some really good cricket, maybe not got the rub of some decisions, and copped an absolute flogging at the hands of the weather (who knew you needed to pack gum boots in your kit this season?), but the most exciting game of the season was yet to come.

Round 18 – v Ginninderra at Phillip (aka the Woden Autobahn)

Ginninderra had batted first on a deck that offered nothing to the bowlers (it was such a road that Ron and Dennis both got hit for double figures with only 3 maidens in their combined 18 overs).

With our turn to bat to chase down 191 we started steady – no excitement, just steady and composed batting. Wolthof was ratcheting up the runs, doing his chances of staying in 5s no good whatsoever, until he finally fell foul of their opener at 72. Myron and Dicko had partnered him well and we were looking the goods.

Things slowed down a little while DA and Tony Patterson negotiated their way through some tight bowling. As it stood when Tony was finally bowled by the Ginninderra skipper with six overs left to bat we needed just under 60 runs.

Cometh the moment cometh the man – out strides big Dan Iglesias. No messing about with this man – 6.....4.....C&B on a ball that was destined for a straight six – how the Ginninderra skipper didn't lose his arm from his socket catching it still amazes me. Between DA, Dan, and me we had somehow managed to keep the run rate at just under 10 an over for 5-ish overs, so that with the last over to be bowled we needed 14 runs.

Some men are born to greatness and others have greatness thrust upon them – enter Darren Eichholzer.

1st ball Skipper manages to squeeze out a single.

2nd ball – fiery delivery from Ginninderra skipper – sorry girls, Darren's gonna be singing castrato for a while, but he doesn't go down – no run

3rd ball – more of the same but he just WON'T GO DOWN!

4th ball – 13 runs still required – SPANK! BIG ZACK over long on boundary

5th ball – 7 runs required – BANG!! Straight into the waiting hands of the fielder at COW CORNER who DROPS IT and it runs across the boundary for the FOUR.

LAST BALL – 3 runs required. Bowler spears a deadly, fiery, swinging full toss into the pads. KAPOW!! And absolute flat, clothes line straight, speed of thought ZACK to the square leg boundary. WINNERS!

good wins under our belt. I am confident if the weather had held fair we would have had far more wins and would have even pushed for a shot at the finals but it wasn't to be. We DID climb out of the cellar and finished just out of the four in a very congested middle ladder. We DID beat the more fancied teams above us and it was SOOOOO nice to finish the season with a WIN and against a team that was in the top four.

We built a really solid core of players this season (many thanks to the selectors for putting together two well balanced 5th Grade sides this season), every player did things to be proud of. The Rev probably had the bulk of the juniors to work with this season and I know he was impressed with how far they had come during the season. Our young players all pulled their weight this season and some of the more seasoned juniors had more responsibility thrust on their shoulders and came through with flying colours. This augurs well for the future of Northies.

My thanks also go to the seasoned core of middle aged (and more than middle aged) veterans who helped me out when it was patently obvious I'd lost the plot, and for the way they mentored the younger/newer members of our team. This was a team that had a great "vibe" through the season.

Boy am I looking forward to season 2011/2012.

Women's Report

The Northies women enjoyed a long-awaited and, frankly, surprising run of good form in 2010/2011. We finished the season in third place, below an exceptionally strong ANU side and typically Meteors-heavy Tuggeranong.

Northies set out with our usual low expectations, dampened further by the lack of a coach. In retrospect, it may have been the secret to our success. The other upside was that John Eicholzer was happy whenever he saw us around the club: not angry, frustrated, annoyed, bewildered, displeased, discouraged, disheartened, disappointed, disillusioned...

Our first match of the season saw us crumble against ANU on a rough and ready Reid wicket. There were promising signs in our defence, as Shannon (Sparky) Byrne and new all-rounder Hannah Osborne quickly rounded up five ANU wickets.

Some early wins both pleased and terrified us. We scrappily beat Queanbeyan by one run at Town Park, which we backed up with a similarly scrappy (though all together more satisfying) win against Wests. One win is possibly good luck, but two is a scary coincidence. What was more, we were batting well: old hands Adi Jones and Mel Parker were making runs at the top of the order, V Jackson was infallible in supporting her partners and new bat Chloe Mallon was at the centre of all the successful partnerships, pushing through singles and keeping us all on our toes.

Coming back from Christmas, the world seemed to return to normal as we fell to Eastlake at KT. Almost losing to recently revived team Weston Creek at Reid the following week seemed evidence that we were, in fact, not that good after all. The Northies women were at peace. Then we demolished (for want of a better word) Queanbeyan on a sodden pitch at Town Park, and we were once again confused. A frustrating loss to Wests and a routing by ANU reassured us of our mediocrity.

We finished the season on third place, forcing a showdown against Wests in a 3v4 final. We were able to post 119 from 20 overs and bundle Wests out with ten runs up our sleeve. We officially finished the season in third place, and our official head-to-head with Wests was 2-1 in our favour.

Our post-Christmas failures overshadowed some amazing personal performances. New opening bowler Dee Jeffree routinely took three early order wickets, bowling a brilliant variety of pace and length. Sparky played her best ever cricket, taking over at first change and tearing through middle orders, batting further up the order and fielding in key positions. Her season was justly rewarded with the bowling average and best and fairest awards. Vanessa looked effortless with the bat, showing the payoffs of years of hard work (and possibly the relaxation of a former captain). Kal continues to be tireless behind the stumps, turning from caretaker to ever reliable and increasingly dangerous keeper. New recruit Kath Hogan effortlessly dealt with all that we threw at her: bowling in the depths of tight games, facing opening bowlers in the final overs of a match, fielding in every horrible position I could think of. She has a disgusting amount of natural talent and will quickly turn into one of our key players.

As always, we suffered from the transience of service personnel, mothers, Sydneysiders and girls with other things in their lives generally. Fortunately we have a great core of almost 20 Northies women who ensure that, even if it means coming back

from Sydney for a day or playing half a game before going to work, we can scrape together a strong and cohesive side. And most importantly, and my greatest source of pride, is that we remain the friendliest, best spirited team in the Glenda Hall competition.

Enormous thanks to all the girls for their support in my first season as captain, but particularly to V Jackson, Kally Gross, Sparky Byrne and Dee Jeffree. Eternal thanks to Bob and Jude Hall for their tireless assistance. Jude's contribution to the club as scorer is well documented, but just as important to us is that they are always there, with advice, support, laughs and match balls. Thanks as always to John. We know we're important to him, even if he doesn't know it. Thanks to Andy Barnett, for doing all the crap jobs that everyone else avoids – umpiring, scoring, putting up with our gossip and giggling. Thanks also to the committee, particularly Albert and Hally, for always treating us as an equal part of the club and for sharing in our (minor) successes.

Finally, and most importantly, GO NORTHIES, now officially the best club in the ACT (and across the border).

Jill Sheppard.
